The holidays are upon us, and we have the  
gift of flesh that will be sure to keep you  
warm and satisfied.

Giselle, the fine covergirl lensed by Dave  
Naz, is a natural treat. She begs with those  
gorgeous blue eyes that you must give her  
everything. Her desire is tight bondage and  
all of you.

Then there's Blair, a fiery filly that smoul-  
ders from the inside out. She undergoes a  
transformation and learns how to be a good  
ponygirl. How nice the tail fit her asshole  
perfectly. Giddyup!

Lacey takes to the great outdoors to per-

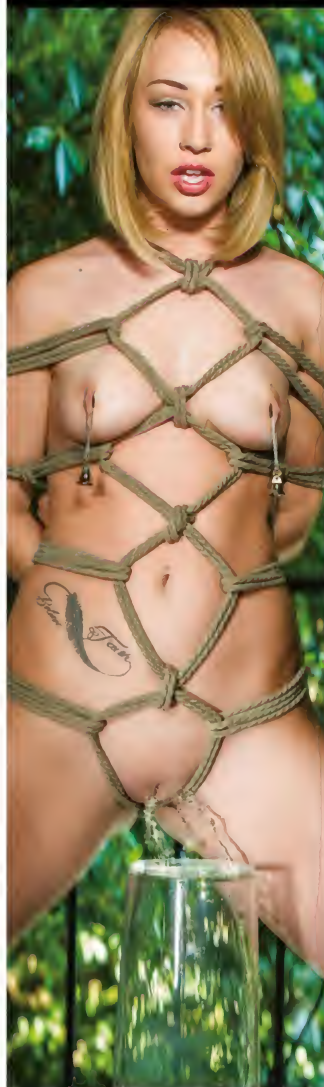

form some much needed yard work. She re-  
quired a lot of instruction and hard whipping  
to get it done right. All that heat went straight  
from the crop on her ass right to her pussy.  
What a lovely, willing wood nymph she is!

It is with deep sadness that I report the  
passing of a great one from our scene here  
in Los Angeles. Aryn Blaque worked with  
several of our photographers over the years  
and ran the infamous back room at Sin-A-  
Matic. He was truly a Master and a gentle-  
man. We will miss him greatly.

Please send in those pics and/or stories  
for publication! —Cynthia Patterson, Creative Director

***What was your favorite part of today's shoot?***

My favorite part was the nipple clamps. They were intense. Really intense. Every second was escalating.

***This was your second time wearing nipple clamps?***

Yeah, the first time they must have been nice to me, because this time it was crazy!

***Have you ever been spanked like that before?***

No.

***Did they spank you the last time you were on set?***

They did, but not with anything made of wood!

***What thoughts were going through your head while you were getting spanked today.***

I thought that I did something wrong. It was intense, but it felt good at the same time. It was a weird, interesting feeling. It definitely tapped into my submissive side.

***Have you ever let a boyfriend spank you?***

Yes, but they are too scared to spank me hard. But today was like, no mercy.

***Well, today was actually mercy, but you did very well.***

Thank you!

***What fetishes do you like, and do you have an interest in fetish in your private life?***

I love being tied up. I'd like to learn more about bondage.

***Have you had more fun being tied up than today?***

No.

***Any other kinky fetishes that you enjoy?***

I love the idea of someone just breaking in and fucking me. Love it.

***Would you like to tell people your home address?***

LOL! Probably not, because some people would get too crazy with that.

***Would you consider doing more bondage in the future?***

Definitely! I really like it. It would probably be fun to switch roles and be the dominant one to a girl or guy. It looks like it would be fun. I want to pull someone's nipples with clamps!

***If you were dominating a guy, what would you do?***

I think I would kick him in the balls. Get that wooden stick and slap it on his dick.

***Only if he likes it, right? Or would you surprise him?***

I would surprise him. I think that would be a lot more fun!

***If you were dominating a girl, what would you do?***

Clamp the shit out of her nipples and probably her pussy lips, too.

***Are your nipples very sensitive?***

Yeah, they are. I got my nipples pierced last year, and ever since then they are more sensitive in general.

***Did you enjoy getting them pierced?***

It was the most painful piercing I've ever had.

***How many piercings have you had?***

Seven.

***Do you like when people play with your nipple piercings?***

Yes, it feels so good. I love that! And it gives me an excuse to not wear a bra. I like the way they look through my shirt. I like when they suck or twist on them, too.

## BONDAGE BALLIN'

Photos by Gerry Koehler

A fabulous time was had by all at this year's Bondage Ball in Los Angeles. The beautiful people were out en masse. Intense scenes got under way early and ran into the wee hours. Performance spaces were crowded with cosplayers à la fetish and old-timers too. A great place to hang with friends and like-minded peeps partying in style. We never miss this local event, and you shouldn't either. You might just mingle flesh for real.

## ***When did your interest in fetish modeling begin?***

It started when I was in an all-girls Catholic school. There was a guy at the all-boys school who knew that I was pretty open-minded and not judgmental. He asked me about pegging, which I had never heard of before. I looked it up, and he asked if I was interested in doing that. I wasn't really drawn to it, but I was willing to experiment sexually. I ended up pegging him, and at first I didn't really like it, but the more we practiced it the more I got off on getting *him* off, and the more I could find enjoyment in the fetish.

## ***Did you do it more than once?***

In high school, I only tried once. Then I got into the industry and started shooting for other companies, such as Femm Dom, who do those types of scenes. This guy I know who saw me do those scenes begged me to do it again. I blew him off at first, but then I did to him what was done to me, and I genuinely enjoyed it! That's when I was really able to get off from fucking in the ass. Once I found myself empathizing with him in that moment, it helped me to get off more.

## ***Talk about submission.***

Honestly, in my personal sex life, I'm more submissive in general. Even when I'm domming I do it from a submissive standpoint, because I want to do it in a way that's like their fantasy, to make them happy. I feel that, even though I am beating them or fucking their ass, or dominating them in any way, I'm still being submissive because I'm only doing it to make them happy.

## ***Do you like to be dominated?***

I like to be spanked, choked and spit on or in my pussy, asshole or mouth. I don't like to be humiliated. I like to feel that I'm giving that person full control and full trust to do whatever they want to me, but I still want it to be done in a relatively loving way, because it's about sex and pleasure. I don't want to be hate-fucked.

## ***Have you ever been pissed on or pissed on someone?***

I have been pissed on upon my request, but I haven't been able to pee on anything or anyone. I guess it's a mental thing. I can squirt, but I can't look someone in the face and pee on them.

## ***Talk about anal.***

I actually lost my anal virginity *before* I lost my vaginal virginity! I was a vaginal virgin until right before turning 20. Anally, I was a virgin till I graduated from high school. I hadn't even given my first blowjob until after high school! Then it was in the summer after graduating, living by myself in Santa Barbara, I was more active. When guys would try to have sex with me, I didn't want to give them my vaginal virginity, for religious and moral reasons, so when a guy said that he wanted to fuck me so bad, my first reaction was, What about anal? I hadn't tried it, but I thought it was some sort of loophole.

## ***What's the most extreme thing you've ever done?***

Pegging is one thing. I think the idea of having sex with strangers...I haven't had sex with *complete* strangers, but I have gone on a plane and scouted out the passengers. I was on a flight to Miami and I scouted out this guy. I ended up sitting next to him, even though it wasn't my assigned seat, and I gave him a handjob. He came in one of the free blankets, and that was it. I never saw him again! I liked the thrill of having a random sexual act. I'm turned on by doing something that's labeled as wrong in society's eyes.

## ***Do you do boy/girl or girl/girl or couples stuff in the industry?***

Yes, I've done quite a lot. I started out doing b/g and then added g/g, and then it took me two years to do my first anal scene. Now I'm looking forward to blow-bangs, and I'd love to be DPed. I've done quite a few orgies, which I think is like a gang-bang, except there's girls too. But I really want to slowly get harder

core and take my career further in this industry.

## ***Are there fetishes that you would like to try that you haven't yet?***

I have more of a personal fantasy that I haven't lived out yet. My ultimate sexual experience would be doing a blow-bang with a basketball team. There's something about being in the center of all those guys. The reason I prefer blow-bangs specifically is because I think that I'm really good at blowjobs. I'm known in the industry for back-bending blowjobs and really deep-throating, so I'd love to showcase those talents in a blow-bang. I hope I get to live that fantasy out before I retire.

## ***Are you interested in a fetish relationship?***

In my personal life I'm generally a little more vanilla, because I don't want to get marked up since I work in the industry. But I still like choking. I don't necessarily feel that I need to be slapped in the face a lot. That doesn't turn me on. There's something about when a guy is choking me when I'm right about to come, it puts me over the edge. Once I was getting fucked in the ass by a MLB player and I was about to come, and I begged him to please choke me. He seemed to be a little uncomfortable with that, which I thought was funny. I like a guy who can feel comfortable with choking me and know when to not go too hard, because it's more about the sexual pleasure.

## ***What else would you like your fans and TABOO readers to know about you?***

I've been working on a documentary called *Some Porn Stars Go to Heaven*, which is supposed to destigmatize the industry and humanize us. We are sex workers, but that doesn't make us bad people, which I feel is a popular assumption. And I feel that applies to fetish as well.

I'm really happy to be here. I've come a long way, and I think that by working in the industry, I've learned a lot about myself and being an adult.

## ***Have you done fetish modeling before and under what circumstances?***

I did a lot of fetish work for webcam modeling. I was always interested in doing fetish shows, so that was my first introduction to anything of that sort.

## ***What fetishes do you like and do you have an interest in fetish in your private life?***

I like breath play, bondage, water sports; they are the most prominent fetishes that I engage in, in my private life. And anal.

## ***Why did you want to work with TABOO?***

I've always had an interest in TABOO subjects. I feel like I have a very clean exterior but a real naughty side, and I like to let that side out.

## ***Have you ever been spanked before?***

Yes, and I liked it. I like how my ass gets all warm. It gets my pussy wet just thinking about it. I like it kind of hard. Wimpier spankings are the worst.

## ***Do you like to spank other people?***

Yeah, I do. But of course it depends on if they are into it too. The more they like it, the better.

## ***What is the wildest thing you've ever done on set or in front of a camera?***

Off set I've had sex in front of a big group of people at a sex party. But I did it to prove to myself that I could feel comfortable having sex in front of people.

## ***Did you get off on it?***

Yeah, I enjoyed all the people watching, and they were getting off on it too.

## ***Have you ever been pissed on or pissed on someone?***

Yes, I've been pissed on many times, and I've pissed on other people too.

## ***How did you get into that?***

I always had an interest in it when I was real young. Every time I got in the shower I would pee without turning the water on, just 'cause I liked the way it felt. And sometimes I would pee in my panties or pantyhose. It has always kind of sexually excited me a little bit.

## ***Do you like pee in your mouth?***

Yes. I've swallowed it and put it in my mouth, but I've never had it inside my body though.

## ***What do you think about anal sex?***

I love anal!

## ***When was your first time doing anal?***

I was 16 and it was my first long-term boyfriend. He always begged me to do it, and he wanted to eat my ass and stuff. At first when we did anal it was painful, but the next time was better and I liked it. It is best to get rimmed out before penetration. I'm very sensitive, and getting eaten out really relaxes my asshole and makes fucking in the ass much more enjoyable.

## ***Are you more interested in the art of fetish modeling or the sex of fetish porn, or both?***

Both. I like the combination of art and sexuality. I think it's really interesting and important so that people see it for what it is, which is art in its own way. I love sex, and that drives me to do fetish porn; but I also appreciate the attention to artistic detail.

## ***Are you in a relationship?***

No. I'd like to be in one someday, but right now I'm focusing on my career.

Elle likes being an irresistible confection with a creamy center for the cultivated connoisseur whose tokens of ownership she wears. A man of refined tastes, he's satisfied with nothing less than a glass of her golden nectar with which to refresh them. Spewing it from her urethra while he watches, she gulps her urine eagerly, legs spraddled, awaiting his next indulgence as she tastes her own secretions. How perfect that they both prefer their drinks nice and hot. When he's had his fill of her juicy orifices, he'll certainly offer her a few gulps of his own vintage for her to swallow eagerly. It's a pleasure belonging to a man of taste.

## ***Do you have an interest in fetish in your private life?***

Yes, I've been spanked and tied to a bed. Nothing too crazy.

## ***Does spanking turn you on?***

Yes, especially if it's done right. I like to be warmed up slowly and then spanked progressively harder. A good spanking can take several hours.

## ***Do you have a preference between boy/girl and girl/girl?***

No, I don't have a preference. I like both equally. I'm bisexual.

## ***When you're with a guy, are you submissive or dominant?***

I'm more submissive.

## ***How about with girls?***

I like to be the dominant with girls.

## ***How do you dominate?***

Flipping them around and spanking them. Pulling hair and telling them what to do and controlling their orgasms.

## ***What is the wildest thing you've ever done on set or in front of a camera?***

Well, there was this one shoot in Arizona, and I was running down the street naked with a vibrator in my hand. I had an adrenaline rush, and it was in public, so there were some people watching.

## ***What about in your personal life?***

I had sex on a swing set once.

## ***So it seems like you enjoy public sex. Is it the possibility of getting caught that turns you on?***

Yeah.

## ***But you've never gotten caught?***

No, I have not.

## ***What fetishes do you have?***

I have a nipple fetish. I really like touching people's nipples with my hands or mouth or whatever. Male or female. I like to bite them, but not too hard.

## ***How did you like the nipple clamps today?***

I liked those. They were pretty interesting. I've never worn one before, so it was pretty cool.

## ***What is your wildest fantasy?***

I want to try having sex while suspended in the air.

## ***What do you think about anal sex?***

I've never done anal. I probably won't try that.

## ***What about feet?***

I'm not a big fan of feet. If they're clean, I'm down with them, but most feet weird me out. I have shot some foot-fetish stuff that was fun. I've sucked on a girl's toes before, but they were very clean, so it was okay. There was chocolate involved, so I couldn't complain! :-)

## ***Did she like it? Did you have sex afterwards?***

Yes she did, and yes we had sex!

## ***Do you think that enhanced the sexual experience?***

I think the chocolate definitely did! LOL!

## ***How about a shoe fetish?***

If owning a lot of shoes is considered a fetish, then yes. I have 20 to 30 pairs, at least.

## ***What was your favorite part of shooting today?***

I liked the leash. I liked being pulled around and dominated.

## ***What about the pissing? We were very impressed with your amazing pissing skills! Have you ever been peed on or peed on someone?***

I've never been peed on, but I did pee on somebody. It was because he got stung by a jellyfish. I was surfing with a friend, and he got stung and, since he couldn't pee on himself, I had to pee on him.

## ***Is that the antidote for jellyfish stings?***

Yes, it's supposed to help the sting.

## ***Did you enjoy doing that to him?***

A little bit. It was kind of a thrill.

## ***How long have you been surfing?***

Since I was three years old. Born in Southern California.

## ***What other sporting activities do you like to do?***

I like to snowboard. I stopped skateboarding because I broke three of my metatarsals doing that. I like sports. I like hiking and doing things outdoors. Sex outdoors is awesome too. Maybe in my suspension sex fantasy, I should be dangling from a tree!

Tricia and Stacy used to hate each other. Their constant bitching and bickering drove Tom nuts. Enough! They'll suffer until they learn to work together like good, little slave-sisters. The burning kiss of the crop turns their back-sides crimson, along with their faces, as they share corner time, pinioned in position by brutally heavy balls and chains. Master T. warns them that their kisses best be as tender as their bottoms.

Bitter rival that she is, Tricia can't help feeling a pang of sympathy for Stacy as she strokes the blond slavegirl's hair while Tom hammers away on already-blazing ass-flesh. The slashing sting of the crop on her own nipples makes it easy to imagine the misery of the suction cups tugging at Stacy's tortured tits.

Actually, the snotty blonde looks pretty tasty spread out in the sling, gash gaping, with a faceful of her master's cock. Not that

Tricia's about to be outdone in that department. She knows when to beg the privilege of rimming Tom's ass while Stacy slurps away in front. A smart slave always volunteers for the nastiest duty.

Shared pains bring shared pleasures. Tom dips his dick in both their drooling cunt holes before rewarding them with a geyser of guy-goo to pass back and forth between their eager mouths. Stacy and Tricia will be back to hating each other tomorrow, but, for the moment, they're a pair of happy, cum-sucking comrades-in-harms.
